

École Willows Elementary School

Parent Volunteer Guidelines

Walking field trips provide classes with opportunities to take their learning outside. We appreciate the support of parent volunteers.

Please follow these guidelines when accompanying a class on a field trip:

1. Arrive at the time requested by the teacher (if you arrive early, please wait outside of the school grounds)
2. Enter through the front door with your mask on
3. Sanitize your hands
4. Sign in at the office and complete the daily health check
5. Exit through the front door and meet the class at the designated door (Parents should not be walking through the hallways)
6. While on the field trip, please maintain physical distance from students other than your own child
