Parent Volunteers for walking trips

Walking field trips provide classes with opportunities to take their learning outside. We appreciate the help and support of parents volunteers so we can continue to do this. If you are volunteering, please sign in at the office and complete the daily health check before going back outside to meet the class.

Guidelines for volunteers are on our website. <https://willows.sd61.bc.ca/parent-info/parent-volunteer-guidelines/>

This month's Snapshot is on Children and Anxiety

[Early Learning and Elementary - Children and Anxiety](#)

Anxiety is one of the most common mental health concerns for children and adults, affecting upwards of 20% of children and adolescents over their lifespan.

Student Numbers for September 2021

If you know that your K—4 children will NOT be returning to Willows in September, please contact the office as soon as possible. We will be starting our staffing and class organization over the next month. Knowing how many students are returning will help make a smooth start up in September.

Daily Health Check App

The province has launched a K—12 Daily Health Check app for families.
