Process for Resolution of Concerns

From time to time a concern may arise in our educational community. To help resolve these issues, the Greater Victoria School District uses a complaint process to ensure that an individual's concern will be given respectful attention while upholding the integrity of the educational system. This process uses clear procedures for the communication and resolution of any concern held by a member of our education community <https://willows.sd61.bc.ca/parent-info/process-for-a-resolution-of-concerns/>. Please contact us if you have any questions.

Student Reports Proficiency Scale

Willows will be involved again this year in piloting a provincial initiative for the 2022 2023 school year where all classroom teachers will use the Proficiency Scales to communicate student learning. For more information, please see our website <https://willows.sd61.bc.ca/parent-info/proficiency-scale-student-reports/>
