## Some learning around our school...

This November, we have many messages and hopes for peace around our school. As a Willows community, we think of our families who are affected by war in other parts of the world and wish for peace along with you.

## Performing Arts Winter Showcase

Many of our Grade 4 and 5 students have been taking part in extra curricular performing arts activities at Willows this term including Strings (Grade 5), Choir and Dance. We will be hosting a Winter Showcase at 6:30 at Oak Bay High where students in these groups will perform. To ensure there is space in the auditorium, each student performing can have a maximum of 4 people attend. There will not be tickets for this event.

## Learning Updates (Report Cards) on Parent Connect

As a District we are moving towards having the report cards in each term, now called *Learning Updates and Summary of Learning*, available to parents via Parent Connect (paperless).

If you have not yet had the opportunity to log in to Parent Connect, please do so as soon as possible. Our first learning update will be available to parents/guardians on Friday, December 22, 2023.

Here is the website with information on Parent Connect:
