Please reach out if you have any questions.

## Parking

Pick up and drop off times are busy at Willows! For safety purposes, ***please do not drop off children in the staff parking lot or walk through the staff parking lot area with children.***

Please consider dropping students off a block away and walking. Our crossing guards Linda and Suzanne are happy to help your children cross safely.

Please note that there should be no parking at the loading zone (white curb) in front of the school. This is the drop off zone.

We do have two accessible parking spaces in our staff parking lot. Please do not use these spaces (for either bikes or cars) unless you have a parking pass and require use of this space to come into the school. Thank you for supporting us with this.
